

# The **New** WashNow! Online Store

Our new ePOS is so reimagined, it's not called ePOS.

Introducing the new ICS eCommerce solution: **WashNow! Online Store** is the innovative successor to our current ePOS offering. This new online store features a robust, intuitive design, boasts high customizability and provides a frictionless shopping experience.

- **Quick, Intuitive One-Page Checkout** – users can load the checkout page with an item in the cart, ready to input their information.
- **Branded Online Store Domain (URL)** – creates a seamless experience between your existing website and the online store.
- **Customizable** – more ownership over the design to fit your car wash brand.
- **Unique Linking** – online store links send users to specific pages you want them to load into: Account Creation, Membership Portal Login, Individual Product Page, Add/View Cart, Checkout.

Ready to build **or enhance your online store?**
